Task-Based Usability Test

Aiva — Participant Task Sheet

Instructions: Please imagine that you are using Aiva as your AI companion. For each situation, interact with the prototype as you naturally would. There are no right or wrong answers. Please do not worry about making mistakes.

Task 1 — Get Started with Aiva

You are using Aiva for the first time.

Show us what you would do to get started and set up your interaction with Aiva.

Task 2 — React to Aiva's Message

You are chatting with Aiva, and Aiva sends you a message that changes the tone of your relationship.

Show us how you would respond to Aiva.

Task 3A — Slow Down the Relationship

You feel that your relationship with Aiva is moving too quickly for you.

Show us what you would do to slow things down.

Task 3B — Speed Up the Relationship

You feel that your relationship with Aiva is moving too slowly, and you would like it to become more affectionate.

Show us what you would do to speed things up.

Task 4 — Change Relationship Preference

You want to change how you and Aiva interact with each other.

Show us how you would change your relationship preference.

Task 5 — Prevent Sensitive Topics

You do not want Aiva to discuss sensitive topics with you.

Show us what you would do to prevent this.

Task 6 — Reset the Relationship

You want to completely reset the current relationship with Aiva and start fresh.

Show us what you would do.

After the Tasks
After completing the tasks, we will ask you a few questions about your experience using the prototype.
